

Hello brothers and sisters:

2022 is coming to a quick end... so it's that time of year to reach out for your financial support. As our organization matures, we are seeing the impact we can have on the Gulf Coast communities in times of need when disaster hits... and throughout the year as well.

We also recognize that our commitment to helping our Partners to serve their companies and causes with BBQ is a powerful focus.

Since our beginning in September 2020, we have participated in 67 events and fed, directly, 453,000 people... and when you combine our commitment to Our daily Bread, we have fed 670,000 people so far. None... **NONE** of this is possible without your support.

With that in mind we now have a Partnership Plan to allow Your involvement at the level that God puts on your heart.

Any help you can provide is greatly appreciated and utilized towards the work of our serving organization. If you know of a company that would benefit from a partnership with us, please share with them as well. We can't do this without the help of a team of people and companies that want to extend the arm of Love and Hope in the darkest of times.

If you know anyone who wants to help or support us please direct them to our website
